DELIVERY POLICY

Deliveries will be made by our own dedicated vehicles within an 80-mile radius. This is a premium service that guarantees the condition and time of delivery. Outside of that area, third-party delivery companies may be used. Third parties may also be used for non-crucial deliveries; in these instances, a flat rate of £30 will be applied. The delivery of audio visual equipment racks will be charged at £195. Large high value items such as lighting control racks, large displays, projectors, screens etc. will be charged at £100. Our own vehicle twice weekly London and South East delivery charge is £40.
